<b>6 Dogrees Rescue</b> - small, grassroots rescue focusing on saving local & CA death-row dogs. Why CA? We save "red listed" dogs meaning those with less than 12 hours to be rescued. A good percentage of these dogs end up on the euthanasia list by no fault of their own.
<b>Arc of Snohomish County</b> The Arc fosters respect and access for individuals with intellectual and developmental disabilities and their families, giving them the power to achieve a full and satisfying life.
<b>Art for All</b>
<b>Boys &amp; Girls Clubs of Snohomish County - InspireHer</b> - Young girls face enormous challenges every day; domestic violence, self-esteem issues, date rape, negative body images, depression. They often lack confidence, a solid support network, and role models to remind them of what is possible. Today, we are offering them a choice. With access to resources, female role models, and educational and life-skills experiences, we are creating a framework where they can explore career options, connect with their heroes, awaken the leader within, and pursue their passion.

To promote independence, preserve dignity, and enhance the quality of life through the provision of services for older adults and people with disabilities.

**Hope for Homies**

**Housing Hope** - Housing Hope offers a full range of affordable housing options throughout Snohomish County. Housing types include emergency shelter, transitional housing, affordable rent units and homeownership opportunities. Housing Hope focuses its activities on Snohomish County and Camano Island, collaborating and cooperating with local communities to make sure programs address the needs of local residents with the lowest incomes and the greatest need. Since 1987, sixty-eight housing developments have been completed. Housing Hope currently manages 479 units in 22 housing developments and has helped 301 families build and own their own homes through our sweat equity program. Our programs are successful. As one example, more than 90% of the families who "graduate" from the transitional housing program go on to obtain long-term stable housing.

**Hungry Hearts Foundation** - no mission, but description follows: The Hungry Hearts Foundation is a nonprofit organization founded in Lake Stevens, Washington in 2015. It is designed to help feed hungry school-aged children who are currently on the National School Lunch Program by providing them with supplemental food for the weekends and school holidays. Many students are getting enough to eat at school during the week through the National School Lunch Program. However, when they are home on the weekends there often is not enough food. Supplemental kid-friendly food items are packaged in nondescript bags that are distributed to students at school on Fridays. All of the students who receive food through the Hungry Hearts Foundation remain completely anonymous.
